# **SS32 THRU SS310**

### **Surface Mount Schottky Barrier Recitifiers**

## Reverse Voltage - 20 to 100Volts Forward Current - 3.0 Amperes

#### **Features**

- Low power loss, high efficiency
- For surface mounted applications
- Low forward voltage drop
- High surge capacity
- Meet UL flammability classification 94V-0

#### **Mechanical Data**

- Case: JEDEC SMC molded plastic
- Polarity: Color band denotes cathode
- Mounting position: Any

Note: Products with logo or or or are made by HY Electronic (Cayman) Limited.

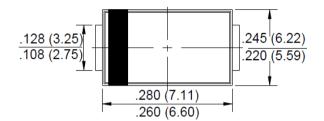

#### **Applications**

 For use in low voltage, high frequency inverters, polarity protection applications

# SMC

RoHS

Package Outline Dimensions in Inches (Millimeters)

#### **Maximum Ratings and Electrical Characteristics**

Single phase, half wave, 60Hz, resistive or inductive load.

For capacitive load, derate current by 20%.

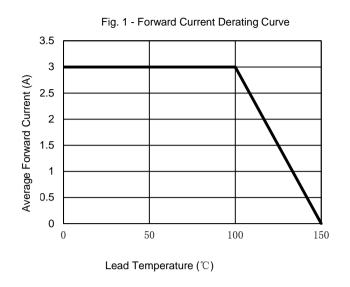

Characteristics	Symbol	SS32	SS33	SS34	SS35	SS36	SS38	SS310	Unit
Maximum Repetitive Peak Reverse Voltage	VRRM	20	30	40	50	60	80	100	V
Maximum RMS Voltage	VRMS	14	21	28	35	42	56	70	V
Maximum DC Blocking Voltage	VDC	20	30	40	50	60	80	100	V
Maximum Average Forward Rectified Current @T∟=100 °C	I(AV)	3.0							Α
Peak Forward Surge Current, 8.3mS Single Half Sine-Wave,	IFSM	80							Α
Superimposed on Rated Load (JEDEC Method)	IFSIVI	IFSWI OU							^
Peak Forward Voltage at 3.0A DC (Note1)	VF	0.55			0.70		0.85		V
Maximum DC Reverse Current @TJ=25°C	lo.	1.0 IR 20							mA
at Rated DC Blocking Voltage @TJ=100℃	IK								
Typical Junction Capacitance (Note 2)	Сл	250							pF
Typical Thermal Resistance Junction to Lead	Røjl	10							°C/W
Typical Thermal Resistance Junction to Ambient	Reja	50							°C/W
Junction Temperature Range	TJ	-55 to+150							$^{\circ}$
Storage Temperature Range	Тѕтс	-55 to+150							${\mathbb C}$

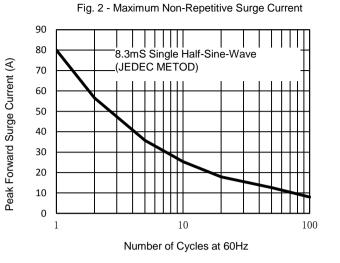

Notes: 1. 300uS pulse width, 2%duty cycle.

- 2. Measured at 1.0 MHz and applied reverse voltage of 4.0V DC.
- 3. The typical data above is for reference only.

#### **Disclaimer**

ALL specifications and data are subject to be changed without notice to improve reliability function or design or other reasons.

HY makes no warranty, representation or guarantee regarding the suitability of the products for any particular purpose or the cotinuing production of any product. To the maximum extent permitted by applicable law, HY disclaims (i) any and all liability arising out of the application or use of any product, (ii) any and all liability, including without limitation special, consequential or incidental damages, and (iii) any and all implied warranties, including warranties of fitness for particular purpose, non-infringement and merchantability.

Statements regarding the suitability of products for certain types of applications are based on HY's knowledge of typical requirements that are often placed on HY products in generic applications. Such statements are not binding statements about the suitability of products for a particular application. It is the customer's responsibility to validate that a particular product with the properties described in the product specification is suitable for use in a particular application. Parameters provided in datasheets and specifications may vary in different applications and performance may vary over time. All operating parameters, including typical parameters, must be validated for each customer application by the customer's technical experts. Product specifications do not expand or otherwise modify HY's terms and conditions of purchase, including but not limited to the warranty expressed therein.

Except as expressly indicated in writing, HY products are not designed for use in medical, life-saving, or life-sustaining applications or for any other applications in which the failure of the HY product could result in personal injury or death. Customers using or selling HY products not expressly indicated for use in such applications do so at their own risk. Please contact authorized HY personnel to obtain written terms and conditions regarding products designed for such applications.

No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document or by any conduct of HY. Product names and markings noted herein may be trademarks of their respective owners.
