

# Cable entry plate, round, type KDP/ZR

## PRODUCT INFORMATION

The KDP/ZR cable entry plate is made of modified Polypropylene and is a round entry and fastening system for cables without plugs and pneumatic hoses such as those used in control cabinets, plant or machine construction. Wherever quick assembly, cable-protection and high packing density are required, this cable entry plate is used.

The special benefits of the KDP/ZR are:

- Enormous time savings in assembly
- High packing density
- Standardised cut-out dimensions
- Large wire diameter ranges
- Very flat design
