

KPX terminal block label

PRODUCT INFORMATION

KPX - for terminal manufacturers **Phoenix**, **ABB Entrelec, Murrelektronik, Siemens** and Wago.

High-quality, halogen-free snap-in label plates. Labels available for mounting individually or in strips.

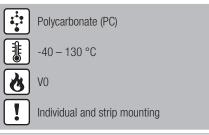

The large printable area at the top allows room for individual project and terminal block reference, dispensing with the need for additional organisational systems.

Label plates designated as "5 - 6 mm-pitch strips" can be adapted to terminal block widths of 5 mm or 6 mm by means of an extension spring joint.

Label plates designated as "Universal strip" can be used on various different terminal block widths.

The 6/180 labelling strips can be printed with a laser printer set up for the required terminal block width.
